Colleen Clement

Colleen M. Clement has been involved in theater since she was a little girl growing up in Marshall, Michigan, with musical productions and comedies as her favorites. Colleen's solo singing experience ranges from performing with the Illinois USO to writing and producing her CD of original lullabies entitled "Dream Songs." She is currently pursuing a Masters in Theater and Drama for the Young from Eastern Michigan University, in addition to teaching her Stage Presence classes and private voice lessons. Colleen has worked with children most of her life in both volunteer and professional capacities including tutoring, youth ministry work, and substitute teaching. Colleen is committed to helping people realize their inner beauty and strength.

These workshops are not just for students interested in theatre. Students needing help in developing leadership, self-esteem or group interactive skills, will also benefit from these fun workshops!
