ARTWALK's NEW FORMAT:

- S. Monroe St. will be closed; artists, crafters, performers, musicians, etc. will set up in the street. We will expand to other downtown areas as needed. Arts Alive will provide you with a 10'x10' space; you must provide your own tents, tables, chairs, etc.
- This is NOT a craft show. This is a juried art show; not all entries will be accepted. Additionally, we will limit the number of artists per medium. **EMAIL THIS FORM & SAMPLES** of your work to **artsalivecw@gmail.com**. If you would rather us not use your photos for advertising/on social media to plug the event, please notify us in the email.
- Once you are notified that you are accepted, you will have a short period of time to get in your booth fee, at which point your place will be reserved. Failure to send a booth fee may result in your reservation being cancelled, as we will move on to other artists with your medium.
- Artists/vendors participating in ArtWalk must pay a **\$40 non-refundable booth fee**. Along with the **ART SHOW** with fine artists (painters, sculptors, fiber artists, etc) and those who make handcrafted/repurposed goods, we will also designate specific areas for **KIDS ZONE** (facepainting, balloon artists, magicians, etc) as well as a **VINTAGE & ANTIQUE MARKET** area for antiques vendors. Musicians, chalk artists, food trucks, and kids zone vendors need to contact us for alternate entry guidelines.
- **This event will be advertised in print, on Facebook, promoted on the radio and posted on Tibbits, the Chamber, and City websites.**
