This page outlines some of the mitigation steps Tibbits is taking to keep all of us safe and able to once again enjoy live performance. Activities will move forward in accordance with recommendations from the CDC and the Governor of the State of Michigan. The information is specifically for Tibbits audience members -- what we are doing to keep you safe as well as what we ask of you as a member of our community.

The success of these protocols DEPENDS on each of us deciding to value the health and safety of the person next to us.

UNIVERSAL POLICIES
- Maintain 6-foot social distance whenever possible
- Wash hands regularly with soap and water for 20 seconds
- Wear a mask whenever possible
- Do not attend a performance or come to the opera house if you are experiencing symptoms.

If you cannot attend a performance due to illness, we are offering a flexible rescheduling and refund policy. Please get in touch with our Box Office. (Email Boxoffice@Tibbits.org or call 517.278.6029)

OVERVIEW: Your Tibbits experience will look different than in the past. In particular:
1. Universal Masking: All patrons, staff, and volunteers are strongly encouraged to wear masks. This helps keep everyone safe! Please note: The actors will be removing their masks as they perform.
2. We are reducing seating capacity by over 75% and seating blocks will be spaced six feet apart.
3. We will not handle your tickets. Please rip your ticket stub and place it in a basket at the door.
4. We have created directional traffic flow throughout the theatre and designated stairways as single direction. We count on you to help distance yourself by 6-feet both outside and within the theatre.
5. Box office, Bar and Gift shop sales will be conducted behind plastic dividers.
6. You’ll see free-standing hand sanitizer stations throughout the theatre.
7. All areas in the opera house will be thoroughly cleaned and disinfected on a regular basis, including fogging. High touch areas will be cleaned more frequently.

Our commitment to safety remains even as Tibbits adjusts to new locations and new circumstances. Thank you for your patience and cooperation!
